Keep it rolling!

The quirky and groundbreaking game is back with new features for all to enjoy.
A faithful reproduction of the original work released in 2005, with a modern touch!

- **5 NEW CHALLENGES STARRING A YOUNG KING OF ALL COSMOS**

Enjoy all-new challenges and collectibles inspired by the first interlude movie of the main game that shows the King as a child.

- **TAKE PICTURES OF YOUR ADVENTURE IN SELFIE MODE**

Use your selfie stick to take photos and have fun decorating them! Selfie mode comes with a photo rally feature where you can take pictures and collect stickers of Namco characters placed on objects throughout all stages. Filling your photo rally sheet lets you unlock new frames and filters.

- **PLAY AS LONG AS YOU WANT WITH NO LIMITATIONS**

This remaster comes with an Eternal Mode for those that want to play with no time limit. Keep it rolling... for as long as you want!

- **QUALITY OF LIFE IMPROVEMENTS AND MORE!**

Players can now favorite their favorite musical tracks and select from a list of tracks for playback when they play levels, better locate target objects with navigational indicators that help find barricades and goal objects, easily find stages they want to play with the "Find a Fan" shortcut, and enjoy this HD remaster on a wider pool of gaming platforms.
