## Time Is Always Against Us...

In keeping with the season and celebrating all things sinister and diabolic, Aksys Games and Spike Chunsoft would like to announce that the official North American title for *Zero Escape 3* is...(drum roll please)... *Zero Time Dilemma*! Building on the success of its predecessors, *Nine Hours*, *Nine Persons*, *Nine Doors*, and *Virtue's Last Reward*, series mastermind Kotaro Uchikoshi has pulled out all the stops to deliver the most compelling and mind shredding gaming experience ever seen on a handheld platform. Choice is your only method of salvation and your only means of escape. How much of your humanity will you sacrifice to earn your freedom? As a new age of ruin looms large on the horizon, you must make impossible decisions and weather unimaginable consequences as you straddle the line between absolution and damnation. Plan your escape. Releasing Summer 2016 for both retail and digital in North America and digital only in Europe.

*Zero Time Dilemma* has not been rated by the Entertainment Software Ratings Board (ESRB). For more information, visit [www.esrb.org](http://www.esrb.org).
